	engineering, and maths. Rocket building, game development, and many many others.	
VEX Club	Build robots and program them to compete in national competition's to try and get to international finals. See VEX site for all details.	
Jigsaw Club	Complete different jigsaws with other students in a relaxed atmosphere to disconnect from the school lessons.	The club will run during lunchtime on Week 1.
Year 7 & 8 Drama Club	Drama activities and possibly some peer to peer showcase events.	
EcoSchool	Find out more about how our actions at home and at school can have an impact on our planet. Work as a team to identify ways we can reduce our impact - creating educational displays for around the school and helping develop Stanway into a more eco-friendly school.	The aim is to make this more student led as we go through the year so they can develop leadership skills as well. The club will run during lunchtime on Week 1.
Boys' Football Club	Football drills, skills and games.	
History Club	History puzzles and mock archaeological digs.	
Poetry By Heart	Learn poems, perform them and compete in a national competition.	The club will run during lunchtime on Week 1.
Girls' Netball Club	Learn to play netball.	
Friday Fiesta Spanish Club	Learn to speak Spanish and find out about the culture of Spain and Latin America. Come along to have a taster of the Spanish language - you will have the chance to take Spanish in Year 9!

	get together as a group every Tuesday lunch time in Music. We'll have a huge variety of music for you to learn and perform for concerts throughout the year. This is a great opportunity to make friends with other singers and musicians in years 7 and 8. Junior choir is open to all!	singing experience.
Wind Band	Students will bring along their own woodwind instruments (flute/clarinet/saxophone/recorder etc) and will play a range of Music as an ensemble. Music will be provided. Just bring you and your instrument!	
Stanway Strings	Students will learn to play the Violin, beginners and existing players are both welcome. Once basic skills have been mastered we will be preparing a piece to perform in the Christmas concert. Students can borrow a school Violin, they do not need to own one in order to come along.	
Year 7 Diversity Hub	Support and discussion about diversity around the school	
Orchestra	This is a really exciting opportunity to get involved with Music in the school. You'll be part of a bigger ensemble of different instruments and will get to know people who are in your section and other sections of the orchestra. We'll have two concerts during the school year and will have the chance to perform at the Schools Prom with other schools in the area in Charter Hall.	There will be no auditions but students should have some playing experience.
Languages Discovery Group	Watch clips of films, cartoons and songs in a variety of languages, learn some of the language and culture.	Students should bring their lunch with them.
School Production	Work on staging Matilda four our performances in March	On Tuesday 21st September after school we have a 'taster' session to introduce the production and prepare students for the audition, which is the following week. The session is practical but no preparation is needed and the students are not committed to be in the production at this point. This will run from 3:15-4:45.
