

Dear Parents and Carers,

Virtual Navigating Success Resources

Due to a rising number of confirmed COVID-19 cases within the local community, we wrote to you last week to inform you that the Year 11 Navigating Success evening scheduled for Thursday 16th September had been cancelled.

We are pleased to now provide you with recorded versions of the information talks that were due to be presented during the evening. You can access these on the school website via the following link:
<https://www.stanway.essex.sch.uk/navigating-success/>.

Today we have also given your child a booklet detailing numerous exam success top tips designed to help them navigate this important year successfully. This booklet also contains key dates in Year 11 that you may want to add to your diary. You can also access this online via the following link:

How To Revise Programme - Two Sessions Left

Lastly, there are still two after school dates left of the How to Revise programme - **Monday 27th and Wednesday 29th September**. We cannot emphasise enough the importance of students attending this to upskill their generic revision skills and consolidate what already works for them. The letter we sent you regarding this can be accessed via the following link:

Students must book their place at the sessions in advance via Eventbrite:

We had also hoped to provide you with updated key subject information, but we are yet to receive the final outcomes from Ofqual following their consultation which closed on 1st August. As soon as we receive this we will update you accordingly.

Kind regards,

Mr J. Bland
