FIRST AID CLUB

After school on Wednesday, 9th October 26 students took part in our new First Aid Club. They learned how to carry out a primary survey, what sort of questions are asked when dialling 999, how and when to use the recovery position and how and when to give CPR.

Well done to all those students who took part. We will be doing defibrillator training next week. Let's make a generation of life savers!

PRIZE WINNERS 2018 - 2019

On Thursday, 3rd October the Stanway School held its Prize Evening where we celebrate the success and achievements of students for the previous academic year. Mr Stephen Whitfield, Chair of Governors, kindly gave up his evening to present the prizes to our students. It is always a pleasure to recognise outstanding accomplishments and the evening was a huge success.

The evening started with a musical entrance performed by Bea and then Mr Bland gave a welcome speech. This was followed by a speech from Mr Whitfield and then the prize winners were announced.

After the Year 7 & 8 students had been announced, two students from the Head Student Team gave a speech which was followed by the presentation of prizes for Years 9 & 10. We were then treated to a musical interlude from Sam before the special awards were presented. Mr Bland then rounded off the evening with his closing remarks.

Congratulations go to all the students who won a prize.

WELLINGTON HOUSE OUTSTANDING ACHIEVERS

During the last academic year (2018-2019), Wellington House decided to recognise the outstanding achievements of its students. To this end staff and parents were asked to inform the House Office of anything they felt students had done above and beyond their normal daily activities. Each term we selected one student from each year group and awarded them with a certificate. At the end of the year the Wellington House staff looked at all the nominations and selected one overall winner from each year group. Those selected are listed below.

Year 7

Reuben - for determination and independently raising £50 for the Teenage Cancer Trust.

Year 8

Grace - for perseverance in the face of adversity.

Year 9

Amelia - for fundraising over £3,170 for Crohns & Colitis UK.

Year 10

Jack - for meeting great personal challenges in the face of adversity.

Year 11

Tiggi - (photographed right) for reaching National Championship level in gymnastics.

Our overall winner was Megan who raised over £1000 for our house charity, Teenage Cancer Trust. It was as a direct result of Megan's efforts that we decided to start awarding our students with trophies. We felt it only right and proper that Megan was our first overall winner.

We are now looking for outstanding achievers for this academic term so please feel free to email with your nominations.
