ESSEX COUNTY SCHOOLS' GOLF CHAMPIONSHIPS

On Monday, 5th July four students from Stanway took part in the annual Handicap Championships at Colne Valley Golf course. All the competitors played a full 18 hole round of golf and were given points for their scores against their given handicaps using Stableford scoring.

The course was very hilly and the greens were very fast and difficult to read, causing some issues with many of the golfers putting. The back nine was particularly difficult with many struggling to stay on par and keep out of the treacherous bunkers. The golfers went round in groups of three playing against students from schools from all over Essex. It was great to see not only the competitive spirit of wanting to win but also the brilliant sportsmanship shown throughout with all helping each other out and keeping spirits up even if the shots went wayward.

All four Stanway students played really well, were a credit to the school and thoroughly enjoyed the competitive experience against a very strong field. The best placed finisher was Ben who managed to get 7th overall with a score of 36 points. Well done to Ben, Charlie, Ollie and George.
