A WARM WELCOME

Welcome back to all our students and staff!

And this is a special welcome as it feels brilliant to have the school full and vibrant after so much of that has been disrupted over the last two years— a time where I don't think a week has gone by without some form of communication about putting measures in place, testing students and completing track and trace calls!

So that is why it is so important to remember the normal things—the pieces of information that you would hear in a normal year at this time—so, I would like to congratulate all the former Year 11 students - the class of '21 - on their GCSE grades this summer. Despite the exams not taking place, the students earned these grades by showing determination and resilience through a turbulent Key Stage 4, and we were all delighted to see this hard work culminate in some excellent grades. As always, I include a list of the top 10 achievers and the top 10 progress-makers below.

Please accept my apologies, but back to Covid-19 again! Please remind your young people to test twice a week, preferably Monday and Friday mornings. Please inform the school of any positive results, and remember to keep your young people at home if they have a positive result, a new continuous cough, a high temperature or a change/loss in their taste/smell.

Let's look forward to this new school year and hope together that it will be without disruption.
