KIND HEARTED HAIR DONATION FROM BECKY

Here is Year 11 student Becky showing off her new shorter hair style after kindly donating it to The Little Princess Trust - a charity that provides free real hair wigs to children and young people who have lost their own hair through cancer treatment or other conditions. Becky said: "I've wanted to cut my hair for a while so I could donate it as there are children with illnesses that deserve to have wigs and I would rather donate my hair to help than throw it away."

Well done Becky!

OPEN EVENING— 30TH SEPTEMBER

We are continuing to plan for a face-to-face Open Evening on Thursday 30th September, but are also very aware that the local and national picture could change between now and the evening itself. If a face-to-face event takes place, measures will be in place to protect us all including controlled numbers in each presentation, face coverings, hand sanitiser and tour guides directing families rather than giving a guided tour. However, if the event is not possible, all information, including videos of all presentations will be placed on our website—which is also updated with all of the latest information relating to the event.
