OPEN WEEK: 27TH—30TH SEPTEMBER

Following continued positive COVID-19 cases in the school, we have regrettably decided not to hold our face-to-face open week events this year in order to protect the students, staff and visiting families. Whilst this is disappointing as we were looking forward to welcoming visitors back into the school, plans are in place to hold virtual events instead via our school website. This will include a presentation from the Head Teacher, a virtual tour of the school, Head of Year introductions, Heads of Department videos and our up to date prospectus. Please note, the day we would have held the Year 6 Taster Day (Friday 1st October) will still be a non-pupil day.

YOUNG MINDS CHARITY FUNDRAISER

Well done to Rowan in Year 10 who raised £50 for Young Minds during the summer holidays by running a stall at the West Bergholt village fete.

Young Minds is the UK's leading mental health charity for children, young people and their parents and believe every young person should get the support they need, when they need it.

Rowan was supported on the day by his friend, Finley, also in Year 10.

Design and Technology House Competition.

You have been challenged to come up with a new name for the school kitchen and then design a corporate identity for it. This will include the font of the kitchen/canteen name and a new logo.

Your designs must be submitted on a sheet of A4 paper and can either be designed by hand or use ICT facilities.

Name, Year and House to be clearly marked on the back of each design.

Entries to be submitted by Friday 8th October 2021 to your Assistant House Coordinator via your Form Tutor.

Entries will then be shortlisted to one entry per year group per house

Remember rules for successful logo design:

- Unique
- Simple
- 3 Colours or less
- Work in monotone (one colour)
- Scalable
- Communicate

For ideas look at local eateries - McDonalds, Burger King, KFC etc they all follow the above rules.

Once entries have been judged, the winning design will be chosen and used for the new kitchen.

WOMEN'S TOUR

Colchester is gearing up for the Women's Tour on 8 October 2021. It's the biggest all-female cycle race in the world, attracting Olympic and world champions alongside elite British riders and stars of the future.

On the morning of the event, there'll be excellent opportunities to watch the race and riders from the Northern Gateway Sports Park and as they make their way through Colchester High Street.
