LOCAL BUILDERS MERCHANT COLLIER & CATCHPOLE DONATES A CEMENT MIXER

At The Stanway School we have introduced a new vocational course for some of our students. We have a group of fifteen students studying for a level 1/2 qualification in 'Constructing the Build Environment'. As part of this course students have to learn about Health & Safety on building sites, site security, jobs in the industry, identifying risks and completing risk assessments. In addition to this students have to complete three practical assignments. Our students are studying carpentry, painting & decorating and bricklaying.

When starting a new course it is always an expensive undertaking procuring all the necessary tools and equipment. It is really encouraging to find local businesses willing and able to invest in the future of our students. This donation of a cement mixer has meant that students can complete the necessary practical elements in a vocational qualification. The students are looking forward to spending time in our construction yard and learning a new skill in bricklaying. Many of the students have opted to take construction further and have made applications to college to further their skills, ready to undertake a career in the construction industry when they leave school. The new course is in its infancy stage with the current cohort being the first to sit the formal examination later this summer.

Ski 2021	Payment 2	£200	27th March

Rap poet
KARL NOVA
will be visiting our school
on
Thursday 19th March

Books will be available to purchase on the day and have signed and personalised. Reading is vitally important for children and, on this occasion, the school will benefit from the book sales, so please send in payments on or before the day.

Karl Nova is one of the UK's leading poets and hip hop artists, delivering his work in his own unique, witty and energetic style.

Born and raised in London, as well as Lagos, Karl always found it difficult to fit in. This reflects in his music because he speaks as one who knows what it is like to be on the margins, in a world where conformity seems to be the key in gaining acceptance. He has always been one to defy expectations and go against the grain. Karl has also recently won the CLIPPA 2018 award.

Rhythm & Poetry
£5.99

In Rhythm and Poetry the beauty of rap lyricism and Hip Hop influenced poetry is displayed with wit, humour and positivity. Karl's approach is to meet young people where they are and engage them with the style and attitude they are familiar with. This collection reflects on his journey of growth from childhood to adulthood through the lens of hip hop culture. A lot of the verses have already impacted many lives as Karl travels and delivers them with his unique and energetic style.

MS JEAN PARKER

We are very sad to advise that Ms Jean Parker passed away on the Monday of half term week after a period of illness. Many former students and parents will remember Ms Parker as the Head of Drama from September 1996 until February 2015, during which time she helped to organise many of the school productions, and Joint Head of Media Studies in 2014-15.

Our sincere condolences go out to her family and friends.
