## YEAR 7 BASKETBALL SUCCESS

On Tuesday, 28th January, six Year 7 girls travelled to Thomas Lord Audley School to take part in the annual 3v3 Year 7 Basketball tournament. The teams were divided into two pools and Stanway came second in their pool, winning all but one of their games, which was a draw.

This achievement put the team through to the semi-finals where they played against St Mary's. The girls won the match 4 baskets to 3 putting them through to the final.

Stanway played against what can only be described as the St Benedict's giants! However, the girls were very determined and fought a hard game, resulting in a draw of 1-1 at the end of the match. This meant that the match went into sudden death - the next basket would win. Unfortunately, this was scored by St Benedict's meaning the girls finished in second place.

The team was a real credit to the school and thoroughly enjoyed the event. Well done girls!

**Miss A Hibben**

The team: Emily, Sophie, Hope, Izzy, Daisy and Catherine

## DIARY DATES

- **Saturday 8th February**

- **Monday 24th February**  
INSET - non-school day
- **Tuesday 25th - Friday 28th February**  
Year 11 GCSE Food Practical Assessments
- **Sunday 1st March**  
School show rehearsals 10.00am - 4.00pm
- **Monday 2nd March**  
Year 8 Options Assembly 8.40am

## SQUASH SUCCESS FOR STANWAY STUDENT

Last weekend Joel, a Year 11 student, took part in a local Essex Open Bronze Level squash event. The event is always very well attended and is also of a very high quality.

Joel entered in the Boys' Under 19 category, although he is still an U17 player. Joel won this event last year so was eager to defend his title. He successfully retained his title after a really high quality set of performances.

Joel will be taking part in the latest England squash event to be held in Manchester this weekend and we wish him every success.

## THE STANWAY SCHOOL GARDEN

With the hard work put in by students and staff, the Stanway School garden has been awarded an RHS School Gardening Award Level 1.

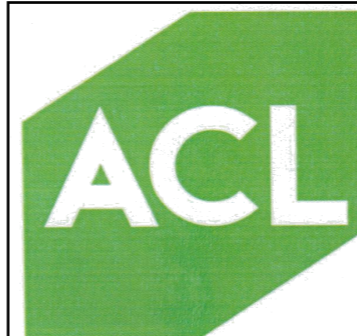

To achieve this level students had to learn and explain the following:

- \* The benefits of gardening to children and young people.
- \* Create a plan for the garden, including investigating what resources are needed to run the garden.
- \* Understanding hazards in the garden.

Members of The Bridge and the Gardening Club are working hard, aiming to achieve Level 2 in the near future.

If you would like to be a part of this, come along to Gardening Club held at lunchtime every Wednesday. We meet outside C0.06.
