YEAR 9 GIRLS' BASKETBALL CHAMPIONS!

On Thursday, 27th February the Year 9 Girls' Basketball team travelled to Thomas Lord Audley School to play St Benedict's School in the Colchester Schools' basketball final. Having previously beaten this team in the league the girls were hopeful for a win.

The team had a brief warm-up and were quickly underway with an intense start to the game. They were met with a very tall and strong opposition, the same team they had fought and beaten in the Year 8 final. The game started evenly for both teams and it was basket for basket with a score of 6-6 at the end of the first quarter.

During the interval a team talk allowed us to review our tactics and the girls showed fantastic teamwork, supporting each other in defence and getting rebounds helping to pull way. They continued to work hard and defend tightly. The main scorers were Ruby, Kitty, Fran and Ela with a final score of 28-15!

A special mention goes to Cara, who played all games to help the team qualify for the finals but sadly could not play in the final itself.

Huge congratulations to the girls for retaining their champions title. Now just Year 10 to keep the victory going!

Well done all.

Miss A Hibben

The team:

Kitty, Hannah, Ela, Ruby, Amy, Ellie and Fran

CHARITY PARACHUTE JUMP

Mrs Hiskey, Mrs Cosham, Mrs Beck Hansen-Spurr and Mr Rivers have decided to challenge themselves to get out of their comfort zones in order to raise money for charity this year. Discussions abounded and then came the idea; what better way to do this than to jump out of a plane?

Mrs Hiskey, Mr Rivers and Mrs Beck Hansen-spurr are going to be supporting Wellington House's elected charity for this year, Teenage Cancer Trust. This charity supports young people going through immense physical struggles with cancer.

Mrs Cosham is supporting Action For Family Carers, a charity aimed at supporting local young people who are carers in their own homes.

The jump will take place on 25th April, 2020 and should you wish to donate the fundraising links are listed below.

STANWAY GO TO THE VEX EDR NATIONAL FINALS

The Stanway School's VEX robotics EDR team managed to become the sole representatives from Essex at this year's national finals! The team spent two days at Telford's International centre battling at a competition filled to the brim with well invested teams from across the UK.

The team showed all of the Stanway School's core principles on this trip, proving to be exemplary students, filling me with pride and respect while watching them at work.

It was a brilliant two days and the Pizza Express was pretty nice too!
