CONGRATULATIONS RUTHERFORD - HOUSE CHAMPIONS 2019-2020

Sadly we were unable to complete our House Competitions during the last academic year. However, we had already held six complete competitions with the result that Rutherford House were in the lead and therefore have been crowned House Champions for 2019-2020.

The scoring system was changed at the beginning of that academic year and extra points were given to each House for every student who took part in the competition. Therefore, even though a House might not win the competition, they could earn more points for fielding a complete team. Below is a list of the scores and the events won.

1st Rutherford	Total points
Girls' Netball	3225
Cross Country	
Boys' Football	
Boys' Netball (shared with Gainsborough)	
2nd Gainsborough	Total points
Art	2560
Boys' Netball (shared with Rutherford)	
3rd Wellington	Total points
	2385
4th Nightingale	Total points
Girls' Football	2315
5th Shakespeare	Total points
	2275

WORLD SUICIDE PREVENTION DAY

The Essex Child & Family Wellbeing Service (ECFWS) supports children, families, schools and communities to address current physical and emotional health, social and financial issues that may affect the healthy development and future outcomes of young people.

Suicide prevention remains a universal challenge. Every year, suicide is among the top 20 leading causes of death globally for people of all ages. Every life lost represents someone's partner, child, parent, friend or colleague.

The good news is that everyone can make a difference to prevent suicidal behaviour by raising awareness, education and compassion.

ECFWS are launching the Take a Minute initiative. Taking a minute to reach out to someone in your community could change the course of another's life. Evidence suggests that the offer of support and a listening ear are more likely to reduce distress as opposed to exacerbating it.

If you know of anyone who needs help, advice or support direct them to:
