Black History Month assemblies
- Monday 19th - Friday 23rd October
P.E. inter-house competition week
- Monday 26th - Friday 30th October
Half term week

NUTTY TILEZ WINNER

The Modern Languages Department subscribe to an online source called “This is Language” which all French, German and Spanish students have an account for. Every few months “This is Language” run vocabulary competitions and Mrs Davies encourages all modern language classes to take part.

We were delighted to find out that Max participated and finished in 2nd place against other German students in the entire country. There are currently almost 10,000 German students using “This is Language”, so this is an absolutely fantastic achievement and we could not be more proud and impressed with Max!

Mr R Thorpe
Head of Modern Languages

CUTTING SINGLE-USE PLASTICS

Erica (Year 10) is a student with a vision! Last year, she won the Jack Petchey Award, which means she was given the responsibility of deciding what she would want the school to put her £250 winnings towards. Erica decided to use her Jack Petchey money to make water bottles that keep cold drinks cool all day and keep hot drinks hot for hours. She also thought ahead, so if staff or students purchase one of these bottles, all the money would pay for more bottles to be made in a self-financing model! This is a fantastic idea, and will keep going indefinitely to ensure that fewer and fewer people in the Stanway School community continue to use single-use plastics.

These bottles are on sale for £8.50 from the school via ParentPay to any student or member of staff. Designed with the school logo proudly showing, these really look great, but they also will have a long lasting effect on the school's carbon footprint.

Well done Erica, this is a brilliant idea!

Mr J Bland
Headteacher

As you can appreciate charities have been hit hard during recent times, so any support they can receive is greatly appreciated. Re-Cycle’s Corporate partner Halfords, where they get the majority of bikes from, have not been able to collect and deliver to the charity due to the current situation. Therefore, Re-Cycle has been running a campaign to ask people for their unwanted bikes.

Shakespeare House has previously supported this charity and raised £1,100 in the first year and well over £1,500 during the last academic year. If you are able to help but are unable to get your bike to them, Re-Cycle will be able to collect.

Thank you.

SOS SAGAS - HUNTED

Following on from our article in last week’s newsletter, congratulations also go to Amy, Samuel and Emily who had a piece of their creative writing published in the Young Writers ‘Hunted’ edition of their SOS Sagas.

This is a fantastic achievement as they have been selected from an extremely competitive field.

If you are interested in joining our virtual Creative Writing Club, please speak to Miss Murray.
