Open Week
Details to be advised
- Friday 25th September**
INSET - non pupil day

FANTASTIC GRADES ACHIEVED BY LEAVERS 2020!

Every year I write a short note about the great achievements of the year group and individuals following the summer results. I pass on my congratulations and best wishes for their future journeys. Despite so many other differences, this year is no different when it comes to my message. Last year's leavers achieved fantastic grades.

It was incredibly sad and difficult for the staff here to see the students leave so early, so abruptly and without having the chance to sit the exams that so many were working hard towards. As you probably all know, schools had to submit what are now called CAGs (centre assessed grades). These were then put through an algorithm to calculate a final grade, but since there was so much confusion around this process, students were finally given the highest of the two grades, either the one from school or the one calculated from the exam boards. As the students have moved onto their next steps, I hope that despite the year coming to an end so early, they will look back at some great memories of their time at Stanway.

As usual, we publish the names of the top students for their attainment (what grades they achieved) and their progress from when they first came to school. Here are the lists for 2020.

Top Achievers

Ellie
Phoebe
Sam
Finley
Amelie
Elizabeth
Fin
Bea
Sean

Most Progress made from Primary

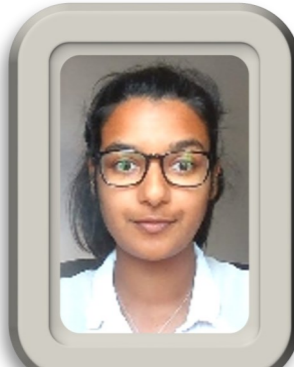

Lucy
Charlie
Dominic
Grace
Mia
Abi
Harvey
Jiya
Bea
Sam
Phoebe

Mr J Bland
Headteacher

Teacher of English

COMMUNICATION WITH PARENTS

Most communications sent out from school are by email or text via Groupcall so if you have recently changed your email address and/or mobile phone number, please let us know by emailing admin@stanway.school.

You can also download the Xpressions app on your mobile device, on which any messages sent out from school will be received. Instructions for installing the app can be found in the School Policies section of the school website.

DATA COLLECTION

Data collection sheets will be issued on Friday, 18th September in order that you can check the contact details we have on our record for your child. Please update the sheet and return it to school by **Thursday, 24th September**.

SAFEGUARDING

A message for parents

I hope you have had a good summer and have been able to enjoy a break in one form or another. Social media continues to provide opportunities and challenges for all of us, so I would just like to remind you all about keeping our students safe by monitoring their online activities. Please remember that should a student become upset or distressed after using or viewing online content, we as a school will offer whatever support we can. Further support can also be found at the following links:
