SETTING VETERINARY STANDARDS

Vets and vet nurses have made a solemn promise to look after animals under their care; they study for many years and have to keep their knowledge and skills up to date -
#petsneedvets

Animal

The animal care sector has seen huge growth over the past few years and the types of jobs available have become more in demand.

From looking after domestic pets and other animals through to livestock farming and food production, the types of jobs available in the animal care sector are varied.

Jobs can include:

- Vet
- Veterinary Nurse
- Dog Groomer
- Zoo Keeper
- Animal carer
- Dog walker or sitter
- Beekeeper
- Animal Physiotherapist
- RSPCA Inspector
- Wildlife Conservation Officer

Jobs working with animals tend to have long working hours and can be hard work, working outside in all weathers but overall rewarding.

More info Clear card

What if I do not know what I want to do in the future?

General Careers Guidance:

- Links to sites providing information on lots of different areas that you can research
- Apprenticeships
- Career quiz sites
- Entrepreneurial
- Post 18 information – universities

Further & Higher Education:

- Academic Colleges – A Levels
- Vocational Colleges – BTEC / Diplomas / T-Levels
- Considering Higher Education
- Alternative to University

Remember all courses you look at have entry criteria so check what this is and make sure that you are able to attain the grades required

What do I need to think about when I am making choices for my future?

- What subjects do you enjoy
- What subjects do you do well in
- List the things you do well and the things that you do not
- Would I prefer doing something more practical?
- Do I enjoy doing something more creative?
- Consider your strengths and weaknesses
- Research all choices considering the pros and cons for each

- Think about how you will learn
- Make sure you are clear on the entry criteria for the course and that you will be able to meet this

Questions we are asking you:

- What is your area of interest?
- What additional research do I need to do?
- What information have you looked at?
- What have you learnt from using the Virtual Careers Convention that you did not know before?
- What other areas have you looked at?
- Why did you choose to look at these and what did you learn?
- Do you need to do any further research or ask questions to what you have found out?
