RUSSELL GROUP | Informed Choices

What you study at sixth form or college can affect your options at university and your future career. Use Informed Choices to help you understand which subjects open up different degrees, particularly at Russell Group universities.

I don't know what degree I would like to study

I know what degree I want to study

**It's never too early to start thinking about what degree ( if any) you want to study for once you finish college. What you study at sixth form or college can affect your options at university and your future career. Use Informed Choices to help you understand which subjects open up different degrees, particularly at Russell Group universities.**

Some degrees require you to have studied certain subjects at A Level or a Level 3 equivalent to be able to move forward. Informed choices helps you to see what degrees can be studied with the courses you have chosen, and enables you to check you have chosen the right course/s if you already know what you want to study in the future.

## Virtual Work Experience on Springpod

Welcome to Springpod, this April we're hosting virtual work experience programmes with the UK's top employers. Whether you're interested in business, nursing, entrepreneurship, medicine, engineering, journalism, law or finance there's a virtual work experience programme for you.

<https://youtu.be/KBmSL7TDm2g>

Please use the link below to view opportunities - The virtual work experience programme involves around 10 hours of activity. You can complete the work over 2 weeks, meaning you can fit it around your schedule (whether that be school or college). There are live webinars to get involved in, but if you're unable to attend these you can watch recordings on-demand.
