Spotlight on Clean Careers

23rd - 24th June

With F4S and STEM Ambassadors

You will gain insight into clean careers which help to restore our planet in celebration of several important awareness days across the month of June including ***World Environment Day, National Clean Air Day & International Women in Engineering.***

This is a great opportunity for students to hear from inspiring role models who have impressive and unique careers which all contribute to protecting and preserving our planet and positively impacting our futures.

Year 11 students - Find out about careers in the Royal Navy

Date: Tuesday 22 June

Time: 9.10am

Spark Careers is excited to invite young people to a **Live Employer Engagement Event on Careers in the Royal Navy.**

The event is taking place on **Tuesday 22nd June at 9.10am** and will enable you to gain insight into different careers within the Royal Navy.

A panel of young Royal Navy personnel currently serving on HMS Blazer who represent a variety of specialisms including Officers, Warfare, Chefs, Logistics and Engineering will be talking to students about their role and answer live questions.

Hosted by Spark – The Employer Engagement App, you will be able to:

- **Hear from a panel of young men & women currently serving in the Royal Navy**
- **See the panel in action talking about their job**
- **Ask live questions**

The virtual panel will answer live questions from yourselves.

Year 11 Students - Virtual Work Experience Opportunities

**Date: Wednesday,
23 June 2021**

Time: 10:00 – 15:15

Learn more about RWE & their efforts to become more environmentally sustainable & to learn what a day working for RWE is really like!

About this event:

Come along to our virtual Work Experience Day with RWE! Learn more about landing an engineering role at one of the largest companies in renewable energy!

During the session we will have a series of breakout rooms where you will have the chance to stand out and participate in group activities, while speaking directly with employers! The day will also include a live tour around one of their sites.

AND to top it all off, you will receive a certificate for your CV for attending the day.

HOW THE DAY MIGHT LOOK: an introduction into RWE, speed meet with different Engineering departments, LIVE TOUR OF LITTLE BARFORD, application masterclass and CV workshop, LIVE Q&A session!
