Scholastic Book Fair (cash only)

### STANWAY EQUESTRIAN TEAM SUCCESS

Our Year 11 student Megan, has achieved another amazing result at a British show jumping event, winning both of her classes, collecting prize money and points for her record.

She also won the event with a massive 110cm jump off!

To add to this achievement, Megan was the only junior competing against adults.

Well done Megan and Rocky!

The equestrian team are back in action in October, competing in Dressage, Show Jumping and Arena eventing.

## WORD OF THE WEEK

## SUMMER CITIZENSHIP ACTION PROJECT

Giving our students a platform to voice their concerns and issues is something we value at our school and this was evident in our 'Year 8 Citizenship Action Project.'

Students worked in groups to choose issues in society that they felt they wanted to make others aware of or try to improve. There was a range of ideas and some excellent research took place. Students contacted their local MP's, charities and business for their project. Some of the work produced has been added to displays around the school.

One particular group—Chantilly, Monty, Ella and Castara focused on 'Animal Rights' and Chantilly had this to say: "We each chose different sub-issues to research: animal poaching, testing, and abuse. Through this research we have learnt that hundreds of animals across the globe experience abuse from their owners; over 100 million animals are burned, crippled, poisoned, and abused in US labs every year, and poachers are killing an average of at least 2 animals per day. Poaching will cause the species to suffer and stop evolution, as it weakens their genetics. Animals that have suffered from abuse deal with psychological damage and emotional pain that stays with them for the rest of their lives. We also learnt that 92% of experimental drugs that are safe and effective in animals fail in human clinical trials because they are too dangerous or don't work. As a group we reached out to three different organisations: IAPF, The Living Planet Centre and The John Hopkins Centre for Alternatives to Animal Testing, to learn ways we can help within our local and school community."

It is fantastic to see so many of our students taking an active part in our community.

## SUMMER SCHOOL READING CHALLENGE

Students who attended our Summer School 2021 were given a copy of Jennifer Killick's 'Crater Lake' to read over the holidays and challenged to write a review in order to win a Kindle.

### The winners are:

- William - this response was personal and used a range of accurate punctuation to express his ideas.
- Maddison - this review was well developed, with a clear structure to introduce characters and key ideas.
- Jess - handwritten and personal. This response was well developed with lovely vocabulary used.

If your child was unable to attend Summer School but would like a copy of the book, please contact - Charlotte.spurr@stanway.school

YOUTH SERVICE Essex County Council YOUNG ESSEX ASSEMBLY

### Design and Technology House Competition.

You have been challenged to come up with a new name for the school kitchen and then design a corporate identity for it. This will include the font of the kitchen/canteen name and a new logo.

Your designs must be submitted on a sheet of A4 paper and can either be designed by hand or use ICT facilities.

Name, Year and House to be clearly marked on the back of each design.

Entries to be submitted by Friday 8th October 2021 to your Assistant House Coordinator via your Form Tutor.

Entries will then be shortlisted to one entry per year group per house

Remember rules for successful logo design:

- Unique
- Simple
- 3 Colours or less
- Work in monotone (one colour)
- Scalable
- Communicate

For ideas look at local eateries - McDonalds, Burger King, KFC etc they all follow the above rules.

Once entries have been judged, the winning design will be chosen and used for the new kitchen.
