These will be performed by a group of students and will form an overarching storyline.</p> <p>Unlike a production, students have the chance to shape this storyline and suggest songs they'd like to be in the final show.</p> <p>Thinking of joining? Come to the ~ PRE AUDITION MEETING at 3.15 on Friday 23rd of September in A001 ~</p> <p>Spaces are limited, so please come to the meeting to show you're interested!</p>	23 rd Sept	A001

After school	RHN	ShowStoppers! Band	Year 10, Year 11	<p>For this year's Music Production, we're creating our own show called 'ShowStoppers!'. It will include music from shows, as well as pop music. The idea is that students in the show will have some say in how the storyline progresses, and the music included in it.</p> <p>We're looking to put together a student-heavy band to accompany the show in its performances in May. Ideally, we'd like a drummer, some wind players, guitarists, and a keyboard player.</p> <p>We want the band to be part of the process as much as the performers on stage, so we'll run rehearsals for the band alongside the cast rehearsals. These will start this month.</p> <p>Please speak to Mr. Hanlon in the Music Office if you'd like to be involved!</p>	21 st Sept	A001
