

KS3 German

	Content
Year 7 HT 1	Personal Information: Students will learn how to give their name, age and say how they feel. The students will also learn the alphabet in German as well as the phonic sounds. They will be able to describe their personality. They will learn to talk about where they live, using countries and towns.
Year 7 HT 2	Family and pets: Students will learn how to describe their family in German, looking at the vocabulary for family members, numbers up to 100, dates and birthdays. Students will also be able to talk about their pets, learning singular and plural nouns, modal verbs and opinions. The students will practice all four skills; writing, reading, speaking and listening.
Year 7 HT 3	Freetime: Students will learn how to talk about their hobbies and freetime activities in German. They will be working on the use of verbs in the present tense, giving opinions and using time markers in their work. They will also continue to work on German phonics so they have an understanding of the sounds in the language.
Year 7 HT 4	Freetime: Students will learn how to say what they do in their freetime. They will be able to build on their vocabulary with sports and freetime activities. There will be a continued focus on the use of verbs in the present tense and we will look at some of the irregular verbs. They will also be learning how to give opinions and reasons as well as say how often they do something with the introduction of some key frequency phrases. We will continue to practise the language using the four skills; listening, speaking, reading and writing.
Year 7 HT 5	School: Students will learn how to talk about their school day including opinions with reasons on school subjects, telling the time and discussing their timetable, describing their teachers and looking at school facilities and rules. There will be a focus on the word order in German and the use of prepositions.
Year 7 HT 6	Film study: Ballon: Students will watch the film and do some project based work around the topic and themes of the film to provide them with some cultural insight
Year 8 HT 1	Town: Students will learn how to describe their town in German. They will also learn how to buy souvenirs and order food in the cafe. They will look at activities and how to refer to the future. They will be renewed focus on the phonics as well as revising numbers. Lots of practice in all four skills; listening, speaking, reading and writing.
Year 8 HT 2	Future plans: Students will learn how to use the future tense to talk about their future plans and hopes. They will look at different ways of referring to the future so they can use I will, I would and I would like
Year 8 HT 3	Weather and holidays:
Year 8 HT 4	Students will learn how to describe the weather and be able to say what they do in certain weathers. They will learn to use the perfect (past) tense to be able to describe a past holiday, where they stayed, what they did, how they travelled and what the weather was like.
Year 8 HT 5	Food and health: Students will be able to say what they eat and drink at different meal times and use their knowledge of the tenses in this context. They will learn to follow a recipe and talk about a healthy lifestyle.
Year 8 HT 6	Music: Students will learn how to talk about the music types they like, talk about playing an instrument and using the past tense to describe a music festival.
