

Stanway Safeguarding Newsletter Autumn 1

Online safety newsletter and information on a trending social media concern regarding an influencer, 'Andrew Tate.'

The Guardian published an article regarding this social media influencer and although many social media platforms have now banned his sites, 'copy cat' and secondary sites are continuing to share some potentially worrying content that our young people may come into contact with. We will be addressing this as part of our Personal Development curriculum in school, however we wanted to make you aware and ask that you speak to the young people in your family about this incase they come into contact with any concerning content or opinions from others.
